ORDER PROCESSING TIME

All orders placed via our web will be dispatched the next business day. Payments are taken at the time of order placement. We pride ourselves on being extremely quick and although most packages do ship sooner without expedited freight we cannot guarantee this. Please note that order processing time does not include the transit time to your delivered location. If you need your order sooner, please make sure to select expedited freight. Baby Bump and Birth does not process or ship orders on weekends or holidays.

FLAT RATE SHIPPING - UK ONLY

Flat rate shipping is offered on all domestic orders of £3.95 regardless of order size. Orders are processed once credit card authorization and verification have been obtained. Domestic orders typically arrive in 2-5 business days (Monday through Friday, not including holidays) for mainland address. Excludes PO Boxes, and BFPOs. Note standard shipping is not normally trackable.

STANDARD SHIPPING - EUROPEAN DESTINATIONS

We charge 6 pounds (GBP) for standard shipping to European destinations.

Delivery time for most of European countries is 3-6 working days. Some of this is dependent on postal services in the destination country. So there may be variations from this standard delivery time frame. All standard European shipping are tracked and requires a signature.

EXPEDITED SHIPPING

Expedited shipping is available for UK and European countries.

Orders successfully placed before 1pm during a business day will arrive within 1-2 business days in the UK and will arrive within 3 business days for most European destinations.

CUSTOMS CHARGES AND VAT

All products are sent from our warehouse in the UK. All prices shown on the website are inclusive of VAT.

No other customs charges are expected for residents within EU.
